Introduction:

1. Despite the fact that discourse markers have been analyzed widely since the 1970s, there is still an ongoing interest. I have compiled some lists of discourse markers for you to look at and study and to keep close at hand when you are writing. While it is obvious that you may develop a preference for certain discourse markers, you should try to vary them, especially now as you are learning to write academic English.

Both spoken discourse markers and other lexical items more typical of speech than of academic writing contribute to the overly oral tone of the learners' academic essays. Key words: spoken features, written spoken English, discourse marker, academic writing, functional categories.

Key words: discourse markers, writing quality, personal narrative writing, argumentative writing, ESL writing. 1. Introduction:

As difficult as composing an academic English prose is for native speaker students, it is even more so for non-native students, demanding not only a great linguistic competence but also a great awareness of how discourse works.
