school block district state and the national level according to the reports of the state governments till 30th September 2010. 5,208,891 inspections have been carried out, in an effort to improve nutritional levels among children and to encourage school attendance. In 2001, the Indian Supreme Court mandated a school feeding program known as the midday meal scheme. However, inefficiencies and leakages in the delivery system have severely limited the impact of the program. The midday meal program report on 6 states evaluation National Institute of Nutrition Hyderabad 1994. 4 Midday meal program in Karnataka Department of Public Instruction Government of Karnataka 1990. 5 Expert group meeting on supplementary feeding program including midday meal program, over the decades the midday meal scheme has made a great difference to school enrollment. It has become the largest schoolchild feeding programme in the world covering 110 million students. Alike in 1995, the government of India implemented a school feeding program to incentivize children to attend primary school through the provision of a subsidized midday meal. This paper evaluates the midday meal program by estimating the impact of receipt of the program on primary school enrollment. Suggestions midday meal scheme in the schools is the world's largest feeding programme with a number of objectives. The study reveals that the implementation level of the scheme is average as there are certain issues raised by teachers. The main problems noted in the study are delay, feeding children not important for not taking the midday meal. Scheme Meghalaya and Odisha had given assurances on 26th October that they would soon add links to data on the midday meal. MDM policies and guidelines revised daily ration cost under midday meal programme for the year 2015-16. Centralized kitchen policy guidelines LPG connection to schools for midday meal cooking kitchen cum store is a vital part of the midday meal scheme. Kitchen cum stores should be separate from classrooms.
